

Scholarship terms and conditions

These conditions apply to all competitive scholarships and merit bursaries offered by the University of Southampton Delhi.

Getting your scholarship

To get your scholarship, you must:-

- meet all conditions attached to your Offer.
- enrol as a full-time student by the start date.
- provide evidence of where you live and qualifications at enrolment.
- pay all outstanding tuition fees by University of Southampton Delhi deadlines, where needed.
- not have more than one scholarship from the University of Southampton Delhi. If you are eligible for multiple scholarships, you will get the scholarship with the highest value.

What you agree to when you accept a scholarship

By accepting a scholarship, you agree to:-

- act as a good ambassador for the University of Southampton Delhi.
- take part in events or promotional activities.

What you will get

Successful applicants will receive the award as a tuition fee discount.

If the amount we award is more than your tuition fees, the tuition fees will be covered in full. You will not get any additional funding.

No cash alternative is available, and the award cannot be used in place of any required deposit.

Rights of the University of Southampton Delhi

The University of Southampton reserves the right to take back a scholarship award if:

- we find out that you are ineligible.
- you break the terms and conditions of the scholarship.

- there is misrepresentation and fraud in your application.
- your programme is no longer available.
- you do not pay all tuition fees by the indicated deadline.
- the University disciplinary panel upholds a serious misconduct charge.
- you do not meet academic progression requirements.

If we take back your scholarship award, we reserve the right to ask you to pay the full amount of the tuition fee for your programme.

The University of Southampton Delhi reserves the right to review, and change the value or type, of scholarships we offer.
